

## Currently Known Office Professional 2010 Student Discount Offers

### Fall Semester 2010 the Business Division will be instructing using Office 2007

Microsoft Office 2010 is now available through most sources.  
You may use Office 2007 or Office 2010 for Business Division course work.

**List price for Office 2007/2010 Professional (which includes Word, Excel, Access, and PowerPoint): \$499.95**

#### Offer #1:

120-day trial version of Office 2007 Professional for **\$19.95** at the CLC Bookstore (located behind the counter).

Once the 120 days are over, the student will have to either reinstall the old version of Office that was running on the computer or purchase the full version of Office Professional 2007 or Office Professional 2010. The 120-day trial version can only be installed on a computer once.

#### Offer #2:

This is a student promotion that will allow students to purchase Office Professional Academic Edition **2010** for **\$79.95**. This promotion can be found at: <http://www.microsoft.com/student/office/en-us/default.aspx>.

To purchase Office Professional Academic Edition 2010 at this price, you will need to supply your CLC e-mail address to Microsoft to verify that you are a currently-enrolled college student. Once you purchase Office Professional Academic Edition 2010 from the Microsoft website you will be able to download the software. **It is advised that you do not download the software if you have dial-up Internet service**. It has been reported by students that the download using dial-up has taken over 14 hours! You can purchase Office Office Professional Academic Edition 2010 on CDs that can be shipped to you for a nominal extra charge (the fee is currently \$13). It is **strongly** suggested that students who do download the software also order the CDs so that the software can be reinstalled on your computer if necessary.

#### Offer #3:

The CLC Bookstore is selling Office Professional **2010** for \$100 while supplies last. After the \$100 software supply is bought out, the Bookstore will be selling Office \$2010 for \$200

(The CLC Bookstore is also selling Office Professional 2007 for \$200 while supplies last.)

Software to purchase at the bookstore is located behind the counter.

#### Offer #4:

Website <http://www.JourneyEd.com> always has great deals for students on Office **2010** and other software. Check out their website to see their current promotions.

**Disclaimer:** These discounts are listed here as a convenience for Business Division students. This list will be updated as student discount information is learned, but students should be aware that any promotion listed here may have been discontinued. Also, other current student discount promotions may be available that are not known by the instructor and not included on this list.
